FDD SUMMARY 6 May 57 1323

p. 37

Thai Mai, 21 Feb 57

The government has announced a plan to sell the two power plants at Wat Liab and Sam Sen of the Bangkok Electric Works to the public to allow the people to be owners of public utilities. Officials are now surveying the assets of the two plants so that the Minister of Finance may propose to the Council of Ministers the price at which shares ought to be sold.
